Asara Lovejoy, author of *The One Command* is a recognized authority on what is possible in our human potential, and an internationally acclaimed leader and educator in human consciousness. She shares the inspiring story of *The One Command* and how it changes lives. Asara says, "I discovered this simple truth - that you have been designed with greatness for your success right within your DNA."

Over 300,000 folks around the world have all ready responded to the new revelation in consciousness that Asara shares. She says, "You are hard-wired for success right within your brain, biology and DNA and in 6-easy steps and One Command we show you how to access that power."

Asara is a mega hit best-selling author at **Nightingale-Conant**, the largest motivational and self-help publisher in the world and has joined the greats like, Dr. Wayne Dyer, Joe Vitale, Tony Robbins, and Brain Tracy to mention a few in her best-selling programs, *The One Command: Imprint Your DNA for Lasting Wealth and Happiness* and she says, "Don't ask for what you want, Don't wait for what you want, Command it!"

Asara is founder and President of The One Command Global Corporation and creator of The One Command Quantum Success Coaching Program and host of her very popular live radio show, *Living in the Quantum Field*.

Asara teaches individuals how to re-awaken to their own greatness - it has long been her life's purpose to keep us in the remembrance of that greatness. There is a great opportunity for advancement and growth from this brand new transformation

that Asara brings to the world. You learn to change even your DNA and the very fabric of thought and matter within you.

Asara Lovejoy Speaker

Asara Lovejoy, author of the best selling book, *The One Command*, an established Nightingale-Conant author, Founder of The One Command® Success Coaching Program, and radio host for her show, **Living in the Quantum Field** is a sizzling motivational speaker who inspires you to think bigger, brighter and more positively about what is possible in your life.

Asara has traveled the world as an agent of change bringing her transformational One Command® seminars to thousands, and is a worldwide recognized educator, speaker and consultant on what is possible in our human intelligence. Her programs, radio show and teachings are designed for easy success in your everyday life. There is a catch though - to have that success you must learn to live from another portion of your brain - the EXTRAORDINARY part of you!

In her warm and humorous presentations you discover the unused portions of your brain that have not been programmed for anything and have room for everything – even what you haven't thought or imagined – yet! You learn these portions of your brain are an open invitation to write new success stories in moments as you engage in your extraordinary intelligence – your theta mind through her 6-Easy Steps.

Through an extensive career in radio in Southern California in the early 2000's and her own Washington state approved university of learning, The Threshold University of Body, Mind and Spirit that she operated in the 1990's, Asara has developed curriculum, education, and content that is simple, direct, and life changing. Her message is consistent in her respect for you, and the extraordinary gifts and powers she helps you to discover right within you.

She has spoken to millions in her past three-year radio career and current Living in the Quantum Field Contact Radio show, and

has produced measureable life changes for those attending her seminars and coaching programs. Asara warmly challenges and inspires you as she provides techniques that grant you the fulfillment of your dreams. She is exciting and fascinating to listen to in her presentations and takes you into undiscovered realms of yourself.

What is truly revolutionary is the most often spontaneously stated comment made by those reading her book, attending her seminars, and listening to her talks and audio programs, "This is the missing piece to all the self-help programs out there. I highly recommend taking one of Asara's programs if you want the true secret to what is possible for you in the satisfaction, success and accomplishments of your life in completely brand new ways – ones you have never heard about before!"

Asara's favorite saying is, "Come on board and join us in the next great adventure of your life – the discovery of your magnificent self – and the true greatness that you are!"
