

ASARA LOVEJOY - SUGGESTED QUESTIONS FOR INTERVIEW

Meet Asara Lovejoy - In interviews please promote www.commandingwealth.com and www.theonecommandlife.com as places to play and discover more.

About Asara Lovejoy and The One Command

Asara Lovejoy, author of *The One Command* is a recognized authority on what is possible in our human potential, an entrepreneur, and an educator in human consciousness. She shares the inspiring story of *The One Command* and how it changes lives. Asara says, “I discovered this simple truth - that you have been designed with greatness for your success right within your DNA and the path to that greatness is in the home of your subconscious – your theta mind.” She discovered that through 6-Easy Steps to theta, and by One Command®, you can stop your negative thoughts instantly, and allow your success blueprint to naturally rise to the surface. Through this process the next natural step for your life simply arrives to bring your success into action easily, with great satisfaction.

Over 300,000 happy folks have discovered *The One Command*! It’s Your Turn NOW!

- **Think** in new directions with improved results
- **Engage Your Greatness** that is in your biology and neurology
- **See Mastery** in you and others
- **Go from Success** to Success rather than stop and start
- **Eliminate fear** and failure
- **Increase income, productivity** and results
- **Identify the six-steps** to the *theta* state
- **Operate in *theta*** and that greater capacity within you
- **Tap into the fact** that you are the creator, observer and experienter

- **Remove the beliefs** that keep you in strife, and struggle
- **Create and realize all your dreams**, daily

Over the next 60 minutes you’ll discover.....

In her warm, and engaging presentations Asara asks the audience to look at new possibilities in their intelligence and self-empowerment. Combining the science of the quantum field and the newest epigenetics with her 6-steps to theta and *The One Command*, Asara proposes that you indeed have the power to change your reality and your life in moments - rather than years. She shares her own journey from loss and struggle to living a rich joyous life and challenges the audience to discover their own ability. She shares a **completely new idea** that your audience

has never heard before and demonstrates that you have an open invitation to write new success stories in moments as you engage in your extraordinary intelligence – your theta mind.

1. You mention a greatness that resides right within each of us - can you explain more?
2. What was the pivotal moment that brought you to writing The One Command?
3. Why do you think the message of The One Command has been so well received?
4. I notice you combine science, quantum physics, the biology of change and The One Command together in your book. What brought you to that integration?
5. In your book, you describe the difference between the beta mind as ordinary consciousness and theta mind as extraordinary consciousness - please explain what that means.
6. Why did you focus The One Command process with wealth and money in your book?
7. What is the key message in the book?
8. What are some of the new ideas of people's potential and practical strategies that people will get from reading this book?
9. How would a person's life be changed?
10. How easy is it for readers of the book to apply these strategies on their own? What tips do you have for making them more effective?

Training and Coaching
